

# Stainless Steel Griddle Adapter

Model# 3683

**CAUTION:** The griddle and adapter will remain hot for some time after use. Allow time for it to cool before handling and/or cleaning.

This griddle adapter is for use with a Fire Magic Griddle to make compatible with Fire Magic Power Burners and Double Searing Stations. Fire Magic griddle sold separately. To install, follow the steps below.

**CAUTION:** Ensure the appliance is OFF and completely cool.

1. Remove cooking grid from grill accessory.
2. Place the griddle adapter onto the grill accessory as shown in Fig. 1-1.
3. Place the griddle onto the adapter (see Fig. 1-1).

**Note:** The adapter has notches located on the top rear to allow for proper griddle placement.

4. Install the griddle drip tray as shown in Fig. 1-2, and use the griddle as directed in the griddle owner's manual.
